

## KIDS MESSAGE HIGHLIGHTS

**27 October 2019\_He Gave Men To Us\_Ps Melusi Ngcobo (JHB)**

**Grow up:** As the Pastors are speaking the truth in love, spiritually I grow up in all areas of my life and its happening now. I grow up in my understanding and put away childish things. [1 Corinthians 14:20, NKJV], [1 Corinthians 13:11, NKJV].

**Difference between matured and baby Christians:** *“The difference between a matured Christian and a baby Christian - a baby Christian will always magnify their circumstances, will always want to be the center of attraction based on how tough things are. But a matured Christian will know that I need to speak the Word of God, I need to release the Word by faith, I need to engage in the Word and no matter what, the Word will overcome”.*

**Intention of Jesus:** There is a measure of growth I can have with God all by myself, but nothing compared to what the Word says. Jesus gave the five-fold ministry gifts (Pastor, Prophet, Evangelist, Pastor and Teachers) to me so that I can grow (mature). There is no other way of growing. I cannot become mature by reading the Bible myself, I become matured by receiving the gifts. Jesus has given us a pattern, I receive and honour the gifts, because Jesus gave them to me. [Ephesians 4:11-13]

**Receive the gift:** I recognize those whom have been given to me by Jesus, I receive them. They are precious gifts to me. I believe and speak the messages of Pastor John and Pastor Sharon. God accelerates me.

**Mature – thinking:** I mature in my thinking, [2 Corinthians 11:3-5]. The Gospel that Pastor John and Pastor Sharon preach, is full of life-transforming power. Things I struggle with and bad habits don't have the last say as long as I engage in the Word - it has to pack up and go.

**Words from God: [John 17:6-14, AMPC].** I am given to Pastor John by God. When Pastor John preaches the Word, I believe the Word and receive the Word. He utters words God has given him, I believe that this truly is the Word of God.

**Anointing:** Like Pastor Melusi, Pastor John is the man God gave me, I honour and respect him and I allow the Word that he preaches into my heart. The word that Pastor John preaches (not the Word that I read for myself) has the anointing. Pastor John gets the strategy from God on how to defeat the enemy because on my own I cannot defeat him. I take what Pastor John and Pastor Sharon teaches and I take this Word praying and put my foot in the message and I begin to see victory in my life. [John 17:20 AMPC], I cling to Jesus and I become one with Him through the messages.

**Good news – The eleventh hour:** If I have been idle – inactive, unfruitful and not engaging in the messages, then this is the eleventh hour for me. [Matthew 20:6-13], The eleventh-hour means is *the latest possible time before it's too late*. I'm in the season of acceleration. God will redeem my time. Pastor John said, *“You will be able to do so much in this hour, more than you could ever do in all these years that you've become a Christian, because God is redeeming your time”.* Jesus is kind. Jesus is good. He wants to see me winning no matter what. I'm making changes at the eleventh hour. I start tomorrow, there is grace open for me (God's ability in me to do it).
