

KIDS MESSAGE HIGHLIGHTS_19 January 2020_2020 Prayer Activation_Ps Sharon Bendixen (JHB)

Declare everything in victory: The Lord was very clear with Pastor Sharon and instructed her to tell us, “Sharon, you tell the people”, “this year you declare everything in victory.” You need to go back to **This is Our Day of Deliverance in the Kid’s Glory Weave Book** because it’s time now to declare everything in victory.

Strike the ground: I need to strike the ground for myself. I need to strike the ground for whatever area I want victory in (health & healing, speaking the truth, good self-image, being obedient, being kind, being patient, supernatural increase...). I ask the Holy Spirit to help me and to show me in what area’s I need to strike the ground in, for my personal life this year. God has declared victory to Pastor John, Pastor Sharon, to this people and to me. There is a note of victory in my prayers. I say “This is my day of deliverance”.

How do I strike the ground?: 1) I DECLARE, 2) I PRAY and 3) I PRAISE:

1) First, you have to **make your declarations...** (You can either make declarations from the message highlights, use the scriptures in the message highlights or you can get specific scriptures from the bible for the areas that you want victory in). When I declare victory, I am ending a war by saying I have won, in faith. I declare something to be, then I strike the ground with prayer until the evidence is there (until I see it in my life).

Example: Free from sickness: I DECLARE in the Name of Jesus that my body is free from sickness and disease. I declare that every part of my body functions perfectly as God created it to function. **2) Second,** After you have declared, then you **PRAY in the Spirit** for the evidence (until I see it in my life). When I’m praying in the Spirit, God’s is using my spirit to make declarations for Him. He knows how to answer my pure, powerful, living, heavenly voice, perfect, powerful words. After that you **3) PRAISE** (You can Praise Jesus in your own words, that He has answered your prayers, that you have what you have prayed for in faith, you can praise with the Walk in the Light CD or you can praise by praying or singing in the Spirit).

Here are more Examples: Growing Faith: 1) I DECLARE that this year my faith will grow exceedingly. This year, I will not be light, loose or lazy spiritually. I declare that I am drawn more to prayer and Your Word then **2) PRAY** in the Spirit and **3) PRAISE**
Bad Habit: 1) I DECLARE this habit of (...) in my life to be over right now, in Jesus Name, then **2) PRAY** in the Spirit and **3) PRAISE**

Zeal of the Lord and first place: I declare the zeal of the Lord to be. I **declare** that You are my first love then **2) PRAY** in the Spirit and **3) PRAISE**. I ask Holy Spirit to help me with my declaration and He will help me. Pastor Sharon said “There’s nothing that you won’t find in God’s Word that you can’t declare”.

Prophetic word: (I do the same with the prophetic word). I don’t get familiar - bored and used to the prophetic word. I’m intense, serious and focused about it with my faith. I’m going to allow it (**the prophetic word**) to be alive every time again as it comes out of my mouth. That’s how Pastor John and Pastor Sharon live. I have to pull myself towards myself to be fervent (intense, passionate and enthusiastic) with the word that God gives me. I don’t just let it go. In **2 Kings 13**, the king struck three times and then he stopped, so he didn’t get the full victory. (I’m not going to be like that king). Pastor John said: “How big a victory do you want is going to depend on how many times you strike the ground.” Now that’s going to help you and me in our personal strike.

New door and supernatural increase: I wake up every morning and I say, “It’s not my life as usual. Where is the new door? Where is my supernatural increase? I’m looking for it. My eyes are seeing it. I’m praising and I’m rejoicing continually.” “Show me, Lord”. “Where is my moment of supernatural increase today, Lord? I want to seize the moment. I’m looking for it. I’m speaking it”.
