

Preparation, Celebration, Separation for Integration Part 7

John Bendixen

25 January 2020

2019 a year for Marvels and Wonders and Extraordinary Manifestations of the Greatness of our God such as has never been seen before in the earth, don't stop believing this just because 2019 comes to an end, the Lord impressed upon me to tell the people, "Add *and beyond*." Amen!

Proverbs 29 verse 18 (AMPC), ¹⁸Where there is no vision, [no redemptive revelation of God], the people perish; but he who keeps the Law [of which of God which includes that of man]-blessed (happy, fortunate, and enviable) is he. The Passion Translation says, ¹⁸**Where there is no clear prophetic vision, people quickly wander astray. But when you follow the revelation of the word, heaven's bliss fills your soul.** The Message translation says, ¹⁸**If people can't see what God is doing, they stumble all over themselves; But when they attend to what He reveals, they are most blessed.** The New Living Translation says, ¹⁸**When people do not accept divine guidance, they run wild. But whoever obeys the law is joyful. (Proverbs 29:18, NLT)** I want to go back to the Amplified Version of this scripture because it says, ¹⁸**Where there is no vision [no redemptive revelation of God], the people perish... (Proverbs 29:18, AMPC)**

In order to be a God talker, you got to be anointed by God to be a talker on His behalf. Ps John is a messenger sent by God, to give me divine guidance. Ps John is a messenger of God, to give me a prophetic word or he is connected to people, that also give prophetic words. Their job is to hear from God and to reveal what God is doing.

¹⁸**Where there is no vision [no redemptive revelation of God]... (Proverbs 29:18, AMPC)** There is a personal walk that I have with God and God is going to reveal many truths to me, personally through the Word and through the ways of God as I walk with God.

God wants me to be a mature believer. He wants me to be a person that can hear from God and act on what God says that I must do. Ps John's job, Brother Jerry's job, is to bring a corporate word that gives me a framework that I can grow in; a framework of rules to live by; a framework for me to live my life in. I do what I need to do within this framework. No framework, I run wild. The messenger comes to give me a framework. The messenger comes to give guidance, the messenger comes to give a thing to reveal what God is doing - I can take it and I can do what God wants.

You don't have to go and wait until you leave school to have God's blessing on your life.

I am not a "Mechanic" to make money. I am a seed sower, whose seed comes from "mechanics". I am not a businessman because I made myself a businessman. I am a businessman because what I do is my function to make seed. When I plant my seed my real wealth comes from my seed planting, not on how successful I can be as a "mechanic". This is redemptive revelation from God. If I make my life about being a "mechanic", then my income is always limited to me being a "mechanic". I look at myself as a man that is on God's purpose; I am on His assignment, I am on His path of what He wants me to do because He made me. I go to work to make money.

I sow my seed because my wealth is in my seed sowing - both with my words, which is my faith and with my activation on my money with my seed so that my income far exceeds what I can do in "mechanics". I don't limit myself to being a "mechanic" so I don't limit my income.

My blessing is not dependent on my income. My blessing is dependent on my faith. My life is not based on my income.

It doesn't matter what my level of income is, my life is based on the level of seed that I sow. My life goes to a whole new level because I take precious things that are of value to me and give them away and say, Lord, my life is in Your hands, it's not in what my hands can produce for myself. All you need to be is a faithful person.

My decision to give everything to God is not just a decision of my heart, it starts in my heart, but it comes into action. Faith without works is dead, it's not alive.

I don't say that I have got faith, and then I don't have any works. My works show my faith.

I decide I am going to do His Word in my life, regardless of what changes do look like or don't look like. When I don't see immediate changes, it doesn't change my determination to keep doing the Word. As I keep doing the Word, the Word will do the change, because my faith is in my actions.

God knows my personality, that doesn't excuse me from living by faith. Faith overrides all personality types.

It is not just what I hear, it is what I do. I catch the Vision of a New Door and Supernatural Increase for 2020. I catch this word, I catch this vision. "There's a New Door for me that's going to open for me and I am going to see Supernatural Increase like I have never seen before." I activate this word with my point-of-contact seed.

Brother Jerry is a big seed sower. He doesn't say; "I have sowed my seed before, I don't need to sow my seed anymore." No, there's a New Door, there's a new moment, and he has had the revelation from God. He is giving me guidelines and his guideline is this is, a new door - sow to the new door. I sow to the New Door for Supernatural Increase to the New Door. This is a New Door; this is a New Door that is going to open for me.

Vision is the faculty or state of being able to see, so if I can't see something, then I can't see something. God can see things; He has a vision for my life that I can't see unless I first make Him the Lord of your life, then when He brings a guiding prophetic word, I activate that with my seed.

²⁵And there was a woman who had a flow of blood for twelve years, ²⁶And who had endured much suffering under [the hands of] many physicians and had spent all that she had, and was no better but instead grew worse. (Mark 5:25-26 AMPC)

This is not a time to back off. She had heard the reports concerning Jesus. I place the reports of Jesus at a higher level than the reports of all the knowledgeable people in my world.

I can't fix what is broken unless I am first honest about what made it broken, otherwise, it's just going to keep getting broken.

What about Eskom? God's giving them supernatural ability to fix the problems. I don't talk against Eskom and further the problem; I speak a solution to the problem.

²⁷She had heard the reports concerning Jesus, and she came up behind Him in the throng, and she touched His garment (Mark 5:27 AMPC). Her actions made a point of contact.

I am more proactive, the more I get involved in the message, the more the level of faith and expectation increases, the higher the expectation, the greater the anointing for God to come and do something. My response starts to motivate my own and inspire my own soul and spirit to get involved in the message. I react to the message so that I can get my soul and my spirit alive so that there's an atmosphere that God can work with.

My testimony is: "I didn't know what my New Door was, but I sowed my seed and I begin to speak it. I began to get involved in telling everybody around me, that God's opening a New Door for me and I began to talk with all my teammates, which is my church mates. I said this is my year for Supernatural Increase. It doesn't matter about the past. It doesn't matter about all the decisions. It doesn't matter about the doctors' reports, I have got a point of contact, I've got my seed sown and I am about to go in to a whole new level."

²⁸For she kept saying, If I only touch His garments, I shall be restored to health (Mark 5:28 AMPC) My finances, my relationships, some of the things in my life that just don't seem to be going anywhere. I have that point of contact and I shall be restored. I don't look at anything that's gone on before and say it can't. As she touched His garment, **²⁹And immediately her flow of blood was dried up at the source, and [suddenly] she felt in her body that she was healed of her [distressing] ailment. ³⁰And Jesus, recognizing in Himself that power proceeding from Him had gone forth, turned around immediately in the crowd he said, Who touched My clothes? (Mark 5:29-30 AMPC)**

When I bring my point of contact seed, this is a personal thing, "I have got to touch Jesus. I have got to get the mind of Christ on this. I have got to get the anointing of God on this. I have got to get what He wants me to get on this. I'm going to go touch His garment because I know if I can just get this point of contact, I will be restored and made whole."

I bring my point of contact seed, I bring it because Dr Jerry is going to lay hands on it, and he's going to pray for it, and I'm going to have breakthroughs, I'm going to have a New Door."

Mark 8 verse 22, **²²And they came to Bethsaida. And [people] brought to Him a blind man and begged Him to touch him. ²³ And He caught the blind man by the hand and led him out of the village; and they begged Him to touch him. ²³ And He caught the blind man by the hand and led him out of the village and when He had spit on his eyes and put His hands upon him, He asked him, Do you [possibly] see anything? (Mark 8:22-23 AMPC)**

Ps John is getting me there. Jesus touched his eyes. His problem was with his eyes. He couldn't see. This point of contact that Brother Jerry is bringing is 20/20 vision in 2020.

I will press and make this point of contact seed, and I will see things I haven't seen before. Ps John is making a pull on the Spirit that He is going to take me by the hand and through His ministry and through His teaching, I am going to see things I haven't seen before.

I press in for the whole deal. **And the man looked intently [that is, fixed his eyes on definite objects], and he was restored and saw everything distinctly [even what was at a distance]. ²⁶And He sent him away to his house, telling [him], Do not [even] enter the village or tell anyone there. (Mark 8:22-25 AMPC)**

I don't let anyone rob me from my healing. I live in my restoration. I don't let them rob me from what I have seen in the spirit. I live in my restoration.

When Brother Jerry comes here, the gifts of the Holy Ghost are going to come and work and the gifts of seeing and knowing are going to function. The gifts of healings are going to function and the gifts of working of miracles are going to function and Brother Jerry is going to come here with all of his anointing's and all of his Apostolic callings, and I am going to walk on the water. I receive him as our Apostle.
