

**Having TKIDS MESSAGE HIGHLIGHTS_21 June 2020_Having Therefore Boldness
Part 9: Boldly Separated Unto God_Pastor Sharon Bendixen (JHB)**

See 2010 Word: Extracts read from prophetic Word *"It is the time of God"* - Pastor John.

you want a
piece
of me?

Piece of Pastor Sharon: The Lord said, *"I want you to give them a piece of you."* You know that expression - *You want a piece of me?* In the first week of lockdown the Father spoke to Pastor Sharon saying, *"It's My time, Sharon."* *"And this, that has happened,(Corona virus) because I have opened a new door for my Church, for supernatural increase to come through, not just for My people, for their personal stuff. Yes, for that, but for Me. There will be supernatural increase for Me - God. Of things that will happen in My Church and in My people, that I have need of, so that I can have My time in the earth."*

God's victories: What the Father was really saying to Pastor Sharon, is that this has actually, come against Him, she experienced an outrage in her. She immediately began to give God prayers for Him to move in the earth for God's victories. Pastor Sharon is zealous for God's victories as a son of God. Pastor Sharon is outraged that the enemy can even think that he can bring what he has brought into the earth to come against our Father. And that God, our Father, can do nothing unless we ask Him and unless we pray. That's a fact – it is a spiritual truth. God cannot move in the earth at this time unless His church rises up. *Like Pastor Sharon, I am indignant (furious) and I am doing something about it. The most powerful thing I know to do is to speak to God. I let the Holy Spirit give me utterance and speak to Father God about it by praying in tongues.*

True North: *Pastor Sharon is setting true north again for all of us, through this message.*

The time of God: The Lord spoke to Pastor Sharon about His time and said, *"He's going to move in a way that not even the body of Christ must think that they had anything to do with it, not even one individual must think that they had anything to do with it, because it's orchestrated by the Holy Spirit and He will use vessels, but vessels must not think that they had anything to do with it"*. God will always find a remnant of people that will follow Him and surrender to Him, to the death. When God chooses to do things, there is no man that can stop Him. *Like Pastor Sharon, I rise up in my stature as a son of God. I take no credit for it - as if I had anything to do with it. I have nothing to do with it when God puts His zeal in me. I don't switch it off, I let it flow, then there I go, as a son of God. The Holy Spirit lives in me. The kingdom of God and the move of the Holy Spirit, is in me. He's going to move in me, through me, for me to do my part.*

Separate myself: I am bold, I separate myself unto God as a son of God boldly, I separate at this time, boldly. I separate, I allow the Holy Spirit to separate me, I allow Him to bring me into my fullness as a son of God in this time right now. Whatever that looks like. He knows, but I surrender and yield myself to Him for that. **READ: Matthew 16:16-19 AMPC.**

Unlawful and improper: What is happening on the earth now, has already been declared unlawful and improper by God. So, therefore I decree and declare it boldly, that it is unlawful and it is improper, and I do not stand for it. I stand for what God has planned and purposed for this time, not for what the enemy is bringing.

God is separating Himself a people: God is separating for Himself a people that will separate themselves unto Him and Him alone, and no-one can stop Him. There is a power that can be released on earth for Him, that comes through a completely surrendered vessel, not a half-hearted

surrendered vessel. God has, in particular, earmarked, chosen this people - the Heritage of Faith people and this spiritual leader, to separate in an intensified fashion. This is not because we are great, but because He has found hearts that are willing to be made willing, to go to spaces and places through this new open door, to experience levels and degrees of surrender, consecration, separation and devotion to Him that we didn't even know was available to us. **I give God everything, everything of my self-life. That is part of Christ being formed in me. I sow this word into my heart. Like Jesus, I don't say anything except I hear my Father say it. I don't do anything unless I see my Father doing it.** It's only the Word of God that can separate and consecrate me to that degree. It's only the Word that I believe, receive and I sow it into my heart that does it.

Look at these scriptures: READ: Ezekiel 34:17 KJV, Jesus invited the rich young ruler to full consecration and discipleship. He said, "I can't do that, I can't give that level at this time. I'm not actually going to". So, Jesus loved him as he left Him. Jesus didn't stop loving him but there was a separation. READ: Matthew 25:31-34 KJV Jesus is separating.

Sheep vs Goat: The difference between a sheep and a goat. A goat sits in the church and goes, "But, but, but, but, but, but. I hear you but... I hear you but..." Their heart is full of excuses why they're not going to go the way of the message that was brought, every Sunday, Sunday after Sunday. This is what a sheep looks like. Jesus explained it - READ: John 10:3-4 KJV. The sheep hear His voice and He calls His own sheep by name. **Jesus calls me by name, many times in my life, through the messages that He brings every Sunday, He's calling me by name. I follow Him and know His voice.**

Jesus & the Word separates me: READ: Matthew 2:23 AMPC. Jesus, as a Son of God is a separated One - I can see what a separated life looks like. READ: Luke 12:49-53 AMPC. Division - is separation. Jesus came to separate sheep from sheep. He's come to bring division. He sees who follows Him, listens to Him and who does not. He sees and He knows. He watches His people. READ: Luke 14:25 - 26 WUEST *If had someone that was hindering me in my supreme love for Jesus, I would not be moved by them. I would love them, but I would not allow them to influence me. A fire is going to begin to burn, Holy Spirit work in me by the Blood. I come to You and say, "I want this, I want this work done in my heart".* READ: 1 Thessalonians 2:13 NLT. He is separating me through the Word. I listen to Your words (messages from You, through my pastors), I follow You, I receive and welcome it into my heart. Once Pastor John and Pastor Sharon have brought the message, this is what happens in me. READ Acts 20:32 WUEST.

In my heart, I come out of the world: READ: 2 Corinthians 6:17-18 AMPC. God knows when my heart loves the world, its ways, the way it does things, its entertainment, its distractions, its philosophies, its liberality and immorality. **In my heart, I come out from among them.**

What I watch on T.V.: What my eyes see (eye-gates), impacts my whole being and breaks down everything that could be good. If I wouldn't physically watch it / do it (in real life) then I shouldn't watch it on T.V. (E.g. watching a girl undress and a car steam up - Titanic movie).

Confession – 1 John 2:14-17: I do not love the world, nor the things in the world. If I love the world, there is no love in my heart for the Father. ¹⁶ For the things in the world--the cravings of the earthly nature, the cravings of the eyes, the show and pride of life--they all come, not from the Father, but from the world. ¹⁷ And the world, with its cravings, is passing away, but I do God's will which continues forever. May the God of peace Himself sanctify and separate me through and through, separate me from profane things, make me pure and Holy consecrated to God, may my spirit, soul and body be preserved, sound, complete and found blameless of the coming of my Lord Jesus Christ, faithful is He who is calling me to Himself to separate. I outwardly and trustworthily do it and He will do it, in Jesus name, Amen.
