

KIDS MESSAGE HIGHLIGHTS 02 August 2020 I Will Take The Children Part 3 Ps Sharon Bendixen (JHB)

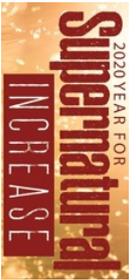

Defining moment - Pastor Sharon: "I received the call from the Lord to go to the children of My people" He called me through the Scripture of **Ezekiel 3:10-11 AMPC**. I choose to hear.

READ: Revelation 18:4 AMPC. It's a direct instruction to Heritage of Faith people at this time - to come out of Babylon. And God is going to help me through messages, to come out of Babylon because I don't know how much I am in it. I don't know how much of it is in me. Jesus came to rescue me from the wicked world's system. Jesus says it's wicked. And so I don't know the degree to which I am of it and how much I love it until God starts to touch it in my heart by His Scriptures, with His Word. I allow the Word to pierce and penetrate me and then I let the Holy Spirit help me to repent.

Go to the children: "Go to the children of your people and speak to them and tell them – this is My call to them. I've had this in store for you for the new open door I have opened for Myself. I have everything ready, I have been preparing this all along. This is a legacy transfer from Me to you".

His plan and purposes - supernatural increase: The Lord said, this is His plan and purposes for these messages that He is going to bring. He is bringing these messages to you, Johannesburg church, because it has everything to do with supernatural increase coming to me through the new open door. The Lord opened the new door strategically at a time when He knew what the enemy was going to do. He knew what was coming.

Bro. Jerry - defining moment: This is a defining moment in our lives with what we are going through right now. I sensed in my spirit this is a word for the body of Christ. This is a defining moment in your life. A defining moment is like a fork in the road. It's coming to a place in your life where you have to make a decision to go either this way or that. Go here or there. It's one of those times, how you act; how you respond, what you decide will determine the direction your life will go in. **READ: Proverbs 3:7 KJV; Proverbs 12:15 KJV; Proverbs 16:2 KJV; Ephesians 2:10 AMPC**

Spiritual teaching to the children: And there will be a special teaching to the children as well, that you too are at a place where you have been sitting with this teaching, in this House. You have been with Pastor John and I for many years and at this stage and this age – I'm going to teach you, the Scripture is going to teach you how Jesus even at 12 knew that He was in His Father's House and about His Father's business. So the children of accountable age, I would say 12 years and up, even, are without excuse in this House, I have a heart change and turn and say – I only want to follow God's plan for my life.

Defining messages: God is bringing these messages right now. They are coming from heaven to earth at this time and they have everything to do with the direction that my life will go in. Both for the adults and for the children. These messages are life defining messages. The highest call is for me to become a mature son of God, in the order of God. God has got a way to bring me to a place of maturity (developing) which is very clear in scripture, it's for me to be planted, in a place, for me to receive the message to come in that place and to be divinely connected where He sets me in. That place where God is planting me is my wealthy place, my laughing place, my growing place and my maturing place. Hallelujah.

Jesus walks in our midst: Jesus walks here in our midst. If the minister is not bringing the message directly to the people in front of him, then who he is ministering to? When Jesus sends a message through a messenger, it is for me. Why should I squirm at that? I should be expecting the directing of the messenger straight to my heart. He is writing His messages now and it's His great love and it's for glory to come and to be seen in His sons of God on the earth.

Mercy opportunity: It is a mercy opportunity for me to judge myself in this aspect so I don't have judgement come on me with the world. God is helping me come out of Babylon, this wicked twisted world system, I can't come out of it if I don't recognise how much I am in it,

living in it, it is in my heart, in my thinking, because of what I'm seeing, I'm speaking, I'm acting. God says, if I will let Him, He will help me jump over a big hoop and we will go to a new level as a people. My mind is ...**READ: Revelation 17:9 AMPC.** The Word of God is going to come like a two-edged sword and divide between what's Babylon and what's the Kingdom of God, what's the world system and my love of the world and what's my love of God.

Sin – twisted way: Here is Jesus saying, come out of her, my people, so that you don't participate in her sins, her twisted ways, in her plagues. God didn't plan those plagues for me. He planned for me to come straight completely into the kingdom of God and be safe and sound from the wickedness from the world system.

Time of God: This is a much more serious time now because it is the time of God and He is going to have His way and no man can stop Him. No institution, no philosophy, no organisation, no man can stop Him because this is His time. It is different from the time that was. This is the time when He is bringing everything to glorify Christ. He is bringing forth His glorious church and He is going to give all of us every opportunity to come into that glory.

Financial system: The world system - the financial (money) system, so we look and see, oh that's how the world runs finances. So it takes God a tremendous effort to wade through all of that hardness of heart to His Word, to say, "It's not My way". That financial system you see there, it is twisted, it is the god of this world. If you actually go back to see who actually started the borrowing system in the banks, they have nothing to do with God. God has got His own kingdom's way of finances for me to be free.

All the same: Everybody thinks they're so unique and different in the world but they actually all like each other. My uniqueness is only found in Jesus. What perfect imprint He has made me to be of Himself.

Impact – authority: These messages are able to bring me to new degrees of consecration and dedication to His ways so I can go to new degrees of authority as a son of God. I can see how that will impact me coming out of Babylon, the world system coming out of me and my authority going to a new place. My authority is so weakened because of what I love and what's in me. There is a degree of ruling and reigning in life as kings that I am going to start to touch now, going to places and spaces of authority as His son, and new spaces and places for my faith to overcome the world system. I completely trust His Word and these messages to work in me and to do exactly what Jesus said they would do. I am born again and I come into Your kingdom, it is so different in Your kingdom. I am going to be able to rule and reign over the world system and not live it, be of it, love it and be subject to it, for it to overcome me.

Opportunity to go for gold: God's bringing us the gold now, so this is my opportunity now to go for gold, I am so grateful. God's bringing me opportunity to be refined by the fire by bringing me gold and this works His resurrection life in me. It is not something I try to do myself, it's something I allow to do or be done to me by the power of the Holy Spirit in me and the words coming to me. I go, "Yes, yes Lord, I see Lord. I turn away; yes Lord, You have my honesty – I'm walking away. His resurrection life by the Person of the Holy Spirit just all that death of the world system just gets swallowed up because I say 'yes'. God doesn't come to bring me gold and fire, so that I can live in regret of things I didn't see, didn't know and light I didn't have. He just wants my honesty, openness and true repentance with Him and I will be forgiven.

Word of caution / warning: A word of caution, even a word of warning. These are messages from Jesus and I must not lower, disprove, subtract and reason against them and spread my opinion about them (propagate). When I hear these messages they are unmasking me, God says, "It's because I love you that I am going to unmask you. I can't let you go for the rest of your life with a mask, masked by this world", **READ: Revelation 3:18 – 22 TPT.** I must be very careful that I don't be a snare to others with my opinions about what's been preached. I am careful how I speak. I avoid empty chatter and worthless words against the message of Jesus. **READ: 2 Timothy 2: 14, 16 TPT, Hosea 4:6.**
