

Word From The Lord

Jerry Savelle - 04 August 2020

You are not alone for I'm by your side.

You need not fear, you need only to abide.

Abide in Me and hold fast to My Word,

I'll fulfill My promises and your prayers shall be heard.

I'm still your source and I will not let you fail,

So keep your head up high for your adversary shall not prevail.

Rejoice in your God and do not cease,

It's still your year for Supernatural Increase!

*I am still
your source*
