

KIDS MESSAGE HIGHLIGHTS_03 January 2021_Preparing for Big and Bold
Part 3 Pastor John Bendixen (WTB)

Faith – looking forward: I don't care about anything negative that happened in 2020 we're looking forward. Faith is always reaching to the possibilities of God, always reaching forward to the things that God has good for us. The word of God says that He turns everything around to our certain good for those who love Him and are called according to His purpose. **I have got to love God and I have got to be called according to His purposes.**

Turn it around: It doesn't matter what I've got going on in my life, God will turn it around for my certain good. *2021 is going to be a spectacular year for those who want God to be the Lord and Master and Saviour of everything that they do in their lives.*

Sound and song: We are going to call the praise and worship - sound and song now, it's the sound and song that God has in Him, in eternity that He is transferring to us, sounds and songs, that He wants us to bring into the earth and I know that 2021 is going to be another spectacular year of sound and song that God brings out of Heritage of Faith churches and Heritage of Faith Ministries.

One day at a time: I continue to make God part of my everyday going forward. *How do you have a good marriage? One day at a time. How do you have a bad marriage? One day at a time.* Similarly, how do you have a good walk with God and become a strong Christian? **One day at a time.** How do you become a weak Christian, with weak faith or faith that is not enduring? *Just one day at a time.* It doesn't take big events and complicated things for you to be weakened. It just

takes one day at a time. If you wake up one day and say *"I'm feeling good today, I don't think I'll pray because I am in a good mood, so I'm going to get out there and do my stuff"* – **danger** because you're taking the good things of your life right now and saying, *"I don't need God for it."*

I rather take that good mood and space that I'm in, thank God for it and make Him part of it. I thank Him that He has created the opportunity for me to have it. If you're in a bad space, thank God anyway, then your bad space turns into a good space. **It's one day at a time that I become strong as a Christian. One day at a time I become strong financially. One day at a time I begin to change my destiny, I begin to change my future. Just one day at a time. Every day matters.**

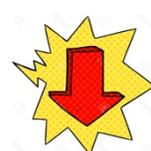

BELIEVE THAT GOD EXISTS AND THAT HE REWARDS THOSE WHO DILIGENTLY SEEK HIM!

Destined for a great reward: *This is really an important season for us to just pursue God and keep pressing into Him. I'm a sold-out vessel, a sold-out servant of the Most-High God, sold-out to become a stronger Christian, day by day.* **So don't lose your bold, courageous faith, for you are destined for a great reward! (Hebrews 10:35 TPT).** *This year I'm destined for a great reward. "God is a rewarder of those who diligently seek Him" (Hebrews 11:6 TPT).* The reward is there, God wants to reward us, so I've got to seek Him, go after Him and keep myself strong and courageous. **I do not lose my boldness, I do not lose my strong courageous faith.** How do you lose it? One day at a time. You just give yourself to too many other things and exclude God, exclude His word from what you are doing in your life. How do you continue in boldness and courage? How do the rewards come? **Everyday. I just give God a little part, I give God more and more, I give God a little part more. A little increase more, every day I just do more, I just give God more glory, more praise, more thanksgiving, more wonderful things. It is a day by day walk.**

Let God change your plans: Even if I may have plans that are two, three months or a year in advance, my walk is still daily. I let God change my plans so that a great reward will come to me, rather than pursuing my own plans where no rewards can come to me. God wants us to go Big

and Bold in 2021, not just for this year, but from this moment onwards, we think bigger, and we are bolder in the way that we go about things. Are you ready for this? Because it's coming your way.

God's poetry: ³⁵...for you are destined for a great reward! Come, let's enjoy this reward together. ³⁶You need the strength of endurance to reveal the poetry of God's will... God's will is pure poetry to my life. If I have endurance in my faith, I will see the reveal of the poetry of God's will in my life. ³⁶and then you receive the promise in full... (Hebrews 10:35-36, TPT). There are those that receive the promise, but not the fullness of it. But if I have endurance, strength, faith, boldness and confidence in who I am in my faith, in my unlimited access to God, then I will see the poetry of God's will unfold for my life.

Aggressive in faith: ¹⁵...for me and my household, we will serve the Lord (Joshua 24:15). Like Pastor John, I agree with this word and I say, as for me and my household we will serve the Lord and see the poetry of God's will unfold in our lives, and in this ministry, and in all the things that God has planned for us.

I'm going big, and bold. I'm becoming aggressive with my faith (not negatively aggressive / violent). We have a spirit that will not be ruled by violence. We have a spirit that will not be ruled by a domineering violent system that wants to violate our future, our destiny and the things that God has for our lives. I'm aggressive and pressing in, pushing hard and going strong for all the good things that God has for me. I'm pushing back against anything that wants to come distract and trip me up and cause "little foxes" to destroy the fruitfulness that God has brought into my life. I'm watching out for them and I'm careful. I'm allowing God to redeem the time for me and I'm exercising the wisdom of the Holy Spirit that has been placed in me by Jesus.

Strategic time: I see in the spirit, that this is a strategic time for us together - collective greatness. This is a time for us to begin to join hands and strengthen our combined resources - combine our faith, combine and get united in our prayers and begin to press in spirit for the big things that God has got for us. As we press and come together collectively and become great together in our faith, in our agreement, in our life of prayer, in sound and song, the way that we worship then the boldness and the strength will grow. And the big things that God has planned for us will begin to come into the material world as we bring them out of the spirit realm.

Press: Every great thing that has happened in this natural world, has first happened in the spirit. So we press collectively, together with God, we press by the leading of the Holy Spirit into going big and going bold. We're going to go big in prayer, big in sound and song, big in the word that we preach and the message that God has given us and as we're going big, our faith is going to rise. Jude: 20 says, "Our faith will rise like an edifice going stronger and bigger and bigger and stronger." As we pray in the Holy Ghost as we increase our

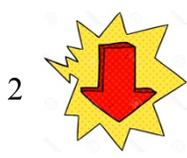

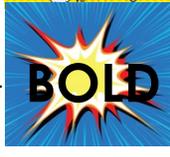

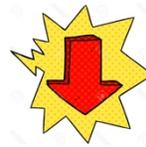

bigness in prayer and everything God's got for us, our faith grows, gets stronger, it has bigger endurance more enduring quality about it so that we can get things done with confidence and with boldness.

Brother Jerry 2021 Prophetic Word:

In a time of fellowship with the Holy Spirit, I heard Him speak these words: A new era has begun and more and more signs and wonders will be seen in 2021, signs and wonders (that sounds like the word that The Lord gave me: We must go big and we must go bold because there are big things He's got for us, signs and wonders). For those who will heed My voice and obey My words. They will experience My goodness and My power as never seen or heard. They'll see the fruit of their faithfulness come bursting forth. They'll prosper and flourish like never before. Abundance and overflow that's what they'll see. I'll bring it to pass because of their love and obedience to Me.

(Again there's that word love and obey and be faithful and He'll turn everything to your certain good if you're in His purpose). No longer will their enemy have the upper hand for My Spirit is moving, an outpouring of My power is coming upon our land, this land. A new era will be marked by many triumphant victories. It's what I planned so just rest in Me. Miracle after miracle that's what I'll do. (I take that, I receive that. Big and bold). Just decree it and receive it and know that it's true. Refuse to be swayed by what's said in the news. With Me on your side, how can you lose? So stay with the Word, it's faithful and true. I'll bring it to pass and great things I'll do. Yes, a new era is here. It's already begun and I plan marvellous things for you in 2021. Abundant overflow is the order of the day, so rest assured it's on its way. Your adversary can't stop what I've already decreed so stay in faith and get ready to receive. Allow no one to discourage you by what they say. Just keep looking to Me and I'll have My way. Tell my people they'll need to remain strong and stay close to Me. (This is what I've been declaring and saying to you, "Confidence and boldness", you've got to stay strong in your faith). So they will not be deceived by their enemy. Yet his attacks will intensify and he will try to prevail but My power is greater and it shall not fail. Fear not nor be fretful over what shall come. The battle is mine. I've already won. (The battle is already won for us, church). Contrary to what you see and shall hear in 2021, it will be a great year, a year of abundance and overflow. That's my plan and it shall be so. This is your theme for 2021; abundant overflow and it's already begun. A great shaking, a great shifting, a great displacing will take place in your nation (which is South Africa) and immediately following this, there will come a great awakening and a great outpouring. This is what you are to be watching for and what you are to be expecting as you are entering into 2021. You will see it, says the Lord, and remember when it happens – that I told you beforehand, I'm in charge of the seasons. I'm in charge of the times and My purposes shall be fulfilled. (See, we got to be connected and in tune with God's purposes and His plans). I have the power to raise up and I have the power to bring down. And no man, no government and certainly no adversary will stop what I've planned. So lift your voices now and praise Me and rest assured – I have everything under control.

How does God have control? God has control because I give Him the control. I praise Him. I declare these words. And I'm set and ready for all the things that God has for us in 2021. This is going to be a great year. Go Big, Go Bold. Abundant Overflow. There's going to be a shifting and a shaking and you mustn't be fearful. I've got to press in, stay connected to the Word. Be faithful. Let the Word do the work because God has already done the work through the Word and the battle is already won. I agree with Pastor John that this is the year for the Local Church, to prosper and be fruitful, for us to have Abundant Overflow, for us to go Big and Bold. I'm ready. I set myself to press, to prosper, to increase and to have all of God's best in this year that lies ahead.
