

Out of Babylon

- HOFMI family member, 07 November 2020

Out of Babylon you come,
For she defiles my Holy One
Do not participate in her sins and plagues
That will only cause you to renege
She is a place for demons
and her you must loath it
What fellowship have darkness and light
Her ways should not you invade,
Come out, come out of her
So you would not be deterred
The place of every foul spirit
Oh that you must loath it
Come out of her
Come out of her

Shepherd

- HOFMI family member, 09 November 2020

You are my Shepherd,
I most certainly get it
As I follow Your lead,
I'm sure to succeed
The Holy Spirit illuminates
To see every enemy bait.

Looking at the above song, on Sun, 15 November 2020 the Holy Spirit said:
Follow My lead and so you will succeed.
Turn away from the enemy's way for he will only lead you astray.
Sheep follows the Shepherd, not their own way or some other way.
Listen to the Great Shepherd speak through your local Shepherd to heed.
