

Preparing for Big and Bold Part 3

John Bendixen

03 January 2021

We are looking forward to 2021 because faith is always reaching to the possibilities of God. Always reaching forward to the things that God has got for us. He turns everything around to our certain good for those who love God and are called according to His purpose. No matter what is going on in your life or the world around you God will turn it around for your certain good.

We say: We do not look at the world, we keep looking forward to the things that God has for us. Thank You Lord that You can turn any circumstance for our certain good!

It doesn't take big events, complicated religious philosophies or doctrines for our faith walk with God to be undermined. It just takes one day at a time. Every day matters. If you are having a good day and you are in a good mood, thank God for it. Make Him part of it. If you have a bad day, in that dark space, thank Him anyway. Then your bad space turns to a good space.

One day at a time you begin to change your destiny, you begin to change your future. It begins with one day at a time!

“So don't lose your bold, courageous faith, for you are destined for a great reward!”
Hebrews 10:35 TPT

“...and that he rewards the faith of those who passionately seek him.”
Hebrews 11:6 TPT

God wants to reward us, so you have got to seek Him, you have got to go after Him and you have to keep yourself strong and courageous. Do not lose your boldness or your strong courageous faith. Don't give yourself to too many other things and exclude God and His word from what you are doing in your life.

Just give God a little part, just give Him a little more everyday, a little more glory, a little more praise, a little more thanksgiving and watch Him reward you! It is a day by day walk!

We say: We will not lose our boldness or our courageous faith! We will give God our little extra everyday!

In 2021 we think bigger and we are bolder in the way that we go about things.

“You need the strength of endurance to reveal the poetry of God's will and then you receive the promise in full.”
Hebrews 10:36 TPT

God's will is pure poetry in our lives. If you have endurance in your faith, you will see the reveal of the poetry of God's will in your life. Don't be one of those who only receive the promise and then don't endure to receive the fullness of the promise.

We say: I will see the reveal of the poetry of God's will in my life. I will endure!!

Preparing for Big & Bold

In the spirit, this is a strategic time for collective greatness. As we press, as we come together collectively, together in our life of prayer, life of sound and song, together in the boldness, all the things that God has planned for us will begin to come into the material world as we bring it out of the spirit realm.

We press collectively, together with God, by the leading of the Holy Spirit! As we pray in the Holy Ghost, as we increase our bigness in prayer our faith grows, gets stronger and it has bigger endurance, we can get things done with confidence and boldness.

There's going to be a shifting and a shaking and we must not be fearful. We have to press in and stay connected to the Word. Let the Word do the work because God has already done the work through the Word and the battle is already won!

2021 is the year of the *Local church* to prosper and be fruitful. This is the year for *Abundant Overflow*, this year we *Go Big and Bold!*
