

KIDS MESSAGE HIGHLIGHTS_28 February 2021_Big and Bold (Part 8)_ Kingdom Finances Part 3_Pastors John & Sharon Bendixen (WTB)

Change: I say - The words that Pastor John and Pastor Sharon speak minister to me, bless me and change things in my heart. The Holy Spirit knows what's going on in my heart and He is able to change it. It is only the Word of God and the power of the Holy Spirit that can change me and it becomes a fruitful part of how I live my life in Jesus Christ.

Blood-bought Family: Extract – “Jesus has paid a price for us to be the blood-bought family of God. In blood-born families, our body will die, and it will no longer be meaningful, but when you’re born into the blood-bought family of God, your spirit and soul lives eternally in the blood-bought family. God places a lot of importance on what we do on the earth as a blood-bought family because this is the only time we can actually live together in this body and as a spiritual blood-bought family”. **READ: 1 Peter 2:9-10 NKJV.** I say – God’s called me out of Babylon, the system of the world, the ways of the world, the things that the world says I’ve got to do and it’s darkness, into His marvelous light. “At a time like this the Lord has placed a strong message, a strong mantle to speak about His church and what He wants to get done in His church - particularly with finances and prosperity”. I say - We have the mercy, favour and grace for it because we have been called out of and into the marvelous light.

Word - Brother Jerry in 2020: I say – God says, “There is no lack of money in the body of Christ, only a lack of obedience but I’m changing that. I’m moving upon numerous people. And they will follow through with what I’m instructing them to do”.

Pastor John and Pastor Sharon are called to: Extract – “This is God’s instruction to Pastor John and me” - **READ: 2 Timothy 4:2-5 AMPC.** Pastor John and I understand that we are accountable to God to obey this scripture”. “When the scriptures say, **in verse 3, Itching ears** - most people who do exactly that say, “That’s not me,” because in their own minds they justify themselves saying, “I’m actually hungry for the Word so I’ll go where I can get more Word”. But actually, what they’re looking for is the next word that’s got some drawcard to it to please themselves. The only way that you can say this is not you is when you are truly planted, functioning and operate in a local church, otherwise you jump from place to place, church to church and from teacher to teacher trying to find the next best thing out there”.

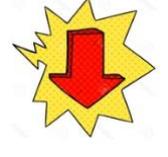

Meditate: Extract – “It’s a very powerful scripture for you to be meditating on”. **READ: 2 Timothy 3:16-17 (NLT) (AMPC).** It’s not Pastor John and I who are telling you what’s wrong in your life, it’s the scriptures that the Lord gives us to bring that tells you that”. God said, “Scripture will speak. **Let My scriptures speak loud and clear, big and Bold.**” I say - The scriptures God brings to me, speaks to me and comes big and bold into my heart.

Pastor John -14th of February: Extract - When the Lord began to speak prophetically this year He is actually saying, “**I want you to be free** from the gods of this world system. I want you to be free so that I can pour My abundant overflow into your life. But if you’re not seeking Him, then you’re allowing that spirit to continuously affect your decision making.

Spirit of Mammon: Extract - People think you have to have money to be affected by the spirit of Mammon but you don’t. If you could have a recorder, and **record all of your thoughts** - all of your anxieties, worries, plans, ideas, dreams and everything that you have. How much of what you think about every single day relates to money and how much of your thinking is taken up with it? If you’re actually in a place where **you’re thinking about God more than money**, then you’re on the right side. But we spend so much time thinking about money, or all the things that we want to do that requires money, rather than praying about things and asking God what He wants us to do. That is where you can see; what is consuming my time? Where is my thought-life on this matter?

Confession: I say - Lord, I want to be someone who is thinking about You, speaking to You, meditating on Your Word and actually putting You first place. Every time I want to think about something that I want to plan for my future, I’m going to pray about it, submit it to You because

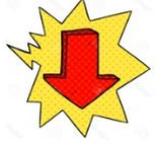

I don't want to be thinking about the money all the time. I want to follow Your guide and Your lead on things. Then you are beginning to follow the plans and purposes of God and not controlled by the spirit of Mammon that says, basically, do whatever you want to do, when you do, as it pleases you to do it, because you've got the money to do it.

Fall on the rock: Extract – “We are bringing you the scriptures God wants to speak to your hearts. God wants to remind you again, if you get offended with these messages you fall on the Rock of offence (Jesus). That very scripture that's offending you, is the scripture that you need to be taking to the Lord in relationship so that that scripture can break into pieces the rocks of stubborn resistance in you. **READ: Jeremiah 23:29 AMPC.** The only thing that can break it down is your repeated going to that very thing that offends you”. “There was a message that Jesus brought that threw the people completely. **READ: John 6: 60- 69 MSG.** That's the offence that you have to work through and get through. God wanted to remind you that there are teachings that are tough. And this is one of them. If you are going to be conformed to Jesus and to His Word, then this is one of them”.

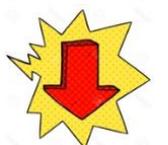

Pastor Sharon heard from God: Extract - “When I was praying, I heard in the Spirit someone ask the question, “Now how must I believe that you hear from God?” “We know His voice and when we're preparing for a message, we go into His presence, and we spend time with Him individually and sometimes together. We say, “Lord, what is it that you're wanting to say to your people?” And then we pray in the Holy Ghost and so that's how He gives us messages. A simple answer to that question is, Is it in the Bible? They must choose whether the Bible is true or not. Whether we speak it or not. If you do not choose to read the Bible, then you do not see these scriptures. We happen just to be putting the scriptures by the leading of the Holy Spirit in a context so that everybody can understand it. It's still the Bible.

Religion: Extract – “This is a very simple test: I do not hear any other religion having a curse word - Jesus or Jesus Christ. Why is it that only this one religion has a curse word that is spoken in movies and in daily life? The only religion that has a curse word, that is the name of one God because He is the only One that died and rose again. The only One whose power is still at work in the earth today because He is alive and not dead.

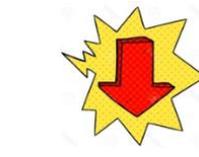

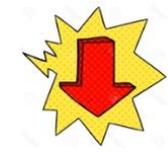

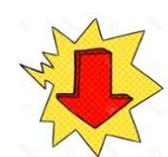

Suck children's energy: Extract - The reason the Lord has us talking about the system of the world, who serves a god that demands the energy of the children. It says, children must have the best education, go to the best university, play the best sport, have the best opportunities because the system is designed to suck (absorb) them in and let them focus on a system that is made to totally take all of their love (affection), energy, attention, skill, talent and use it in the name of “building a life for myself”. The whole meaning of this is that, that spirit wants your whole life to be about yourself so that you don't worship God with everything that He has given you. That's the spirit, the idol of Molech”.

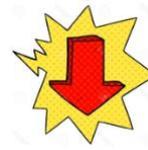

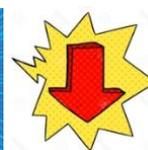

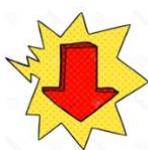

Molech and Mammon: Extract – “Some people say that everybody has the right to choose their own god. That actually makes them the god because if you have the right to choose the god that you want to serve and give everybody else the right to choose whatever god they want to serve, then it makes man god. That is exactly what that spirit of Molech wants you to think - that you are god. Mammon is the same thing, he wants you to say that all this hording of wealth that you're after, it's so that you can worship with your finances at the altar of whatever you want, (desire), with your money”.

This is how God thinks: Extract - This is how God thinks about your wealth, your possessions and your money. **READ: Haggai 1:2-6 AMPC** - this is what happens when you chase. You just never have enough. **READ: Haggai 1:7-8 AMPC** - that's seeking first the Kingdom of God. **READ: Haggai 1:9 AMPC** - I see you not seeking first My Kingdom. I see I am not your first love. You don't seek first. **READ: Haggai 1:10 AMPC. READ: Haggai 1:9-10 MSG** - that doesn't matter whether you have a lot of money or little. It is still what's the purpose of having this. There is nothing that can come of it, it has no purpose if it's your own ambition. He is such a loving God. What a hypocrite we are when we say, “bless me, bless me, bless me, bless me but You're not first but make me Your first”. “I want abundant harvests,

but don't ask me to not be stingy. Don't touch my money. I want You to bless my children but don't touch them. Don't touch My plans for them.

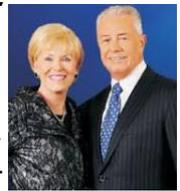

Abraham: Extract – When God said to Abraham, “Let me be your God, and you be My people and I will bless you. I will pour and you will just have abundance.” Abraham is having a conversation with God and he said, “What is the purpose of all of this blessing that You have blessed me with when I have no children?” And then He said, “**I will give you children because you will teach them after My ways.**” That's where we give our children to God and our financial blessing is in the order of God, He gives us so much for ourselves because we put His house, His ways, His church first and we seek Him first for everything.

Blood-bought family: I say – I recognise I am part of a blood-bought family (the family of God) and I recognise the things that the family of God have got to do - our assignment, our purpose and things that our church family must accomplish. This is the best investment I can make into eternity. **Extract** - Then God says, “I will hold nothing back from you.” Then you can have more. “If You withhold, then harvest will be withheld from you.” But you withhold nothing. I withhold nothing. That is the covenant.

Blessed lives: Extract – “You and I live completely blessed, **Brother Jerry, Brother Copeland**, all the people that God divinely connected us to for the last 40 years lived blessed. Some people talk about them but they do not know how completely sold out to Jesus they are. They do not know that they have passed so many tests with Jesus, with their money, their life and their obedience. They don't actually understand that their level of obedience to God that they all will, at the drop of a hat, give everything to God, any time, over and over and over again. They have done it.

This is what God is wanting us to become: Extract - Look at the result and these people. This is the kind of people God's looking for. That's why we're speaking to you Heritage of Faith people, of what God's wanting us to become now, **READ: Haggai 1:12 AMPC. I say** – I listen to and obeyed the voice of the Lord my God [not vaguely or partly] but completely according to the words of Pastor John and Pastor Sharon. I [reverently] fear and [worshipfully] turn to the Lord. **READ: Haggai 1:12 MSG. I say** - In listening and paying attention to Pastor John and Pastor Sharon, I honour God. **READ: Haggai 1:13 MSG. Extract** - This message that God has called us to bring that He's given us to bring, He's saying, “I am with you. I am present in this message. I am present bringing you the Word of God that is designed to bring abundant overflow not because you chase but because you seek.”

Strong, alert and courageous: READ: Haggai 2:4 AMPC, Extract - be strong, alert, and courageous, all you people of Heritage of Faith, says the Lord, and work! For I am with you, says the Lord of hosts. We can see the results of abundant overflow here now. **READ: Haggai 2:6-8 AMPC.** He is saying, “What, you want to withhold from My house? Think I can't get you harvests like this?”. **READ: Haggai 2:9 AMPC. READ: Haggai 2:7 MSG.** In other words, they – the nations, the system that's against God - they will bring their wealth to God's people. But God's people will get it because they don't love it and they don't chase it. **I say** - If I seek God and I put God first that wealth will come. **READ: Haggai 2:7,8 MSG.**

Message to being deliverance: Extract – “We know that this message that we are preaching today has been misused in the body of Christ to Christians. But those people that know us, that live with us will know that we are not people that are coming after your money for our sake. We are coming with a message that will bring deliverance to you because God wants to bring deliverance to His people.

Go READ. Check your thinking: READ: 2 Chronicles chapter 29, 30 and 31. Extract - It's about a people that completely transformed in a time of God in their time. If people hear this message and say, “Wow, God's asking a lot of me to give more, everything or more than I can afford. I'm not sure that I can obey this message.” If those kind of thought processes are happening, then where do you think they are coming from? Not from the Lord. They're coming from fear, anxiety, or even a religious spirit that says, “Don't obey this message because I want to keep you stuck in the world system and I want to keep you captive all the time.
