

Prophecy About America

Kenneth Hagin - 1987

I LOOKED...I LOOKED
I looked and I saw the hearts of men
And oh, they were disturbed and perplexed
And I saw a black dark cloud rise up from the eastern part of our nation
And it came out of the capitol of our nation
And men responded unto that darkness that arose and walked with it
And that darkness began to envelop this very land
But Oh Oh...
The hearts of many that know God
Sensed in their spirits
And those of us that stand on the horizon of time
Shall sound forth a word of warning
And so...
There shall arise the mighty ones
Those called of God
Separated unto Him
And they shall make intercession
And the Light shall shine
And drive back the darkness
The evil and wicked men shall fall
And there will be those
And remember it was told unto you in advance
It was told into you years in advance
There shall be those in high places
Who will fall down dead
And some shall say:
Oh they would have made such a great leader
I cannot understand...
But those who know the voice of the Spirit
Shall rejoice and be glad
For ye shall know the dark...
That darkness has been stayed
And the hand of the enemy has been defeated
