The warfare has intensified and escalated. So now our faith must intensify and escalate. The Lord will help our faith, He will assist our faith. We can and we will come up in faith now.

However, you will need to expose your eyes and your ears constantly to His Word on these matters.

Your faith, your earnest desire, and your expectancy, which all comes from His Word, is what will do it. Expect Him by His Holy Spirit to open up these scriptures to you. His healing power will come and continue, and you'll find yourself because you are coming up in faith, you experience divine health again.

Confession: Christ has redeemed me from the curse of the law. Therefore I forbid any sickness or disease or weakness to come upon this body. Every disease, germ or virus that touches this body dies instantly. Every organ, every tissue, every cell, every joint, every muscle, every blood corpuscle, every bone marrow of this body functions in the perfection to which God created it to function. I forbid any malfunction in this body. The Holy Spirit is the stream of divine life that flows through my body, through my members, overwhelming the law of sin and death, coursing through me with the very resurrection life of Christ from on high. I walk in this resurrection life, from my spirit to my soul and my body making me whole. I will lay hands on the sick, and they shall recover. Glory to God.

Healing scriptures: Exodus 15:26; Deut 7:12-15; Psalm 105:37; Matt 4:23-24

We say: I glorify You in my body, Lord. I forbid, I forbid. You shall not prosper in my body. I'm not moved by what I feel. The Word of God is working mightily in my body. I'm receiving my healing. I'm eating the bread of life, and it is nourishing. I'm nourishing myself with words of faith. Hallelujah.

Regarding finances:

"For if the firstfruit is holy, the lump is also holy; and if the root is holy, so are the branches."
(Romans 11:16 NKJV)

The Word is clear, the first thing that we've got to do is first fruits, and then tithes and then offerings. Many times people think tithes or your tithe is the first, but it's not. First fruits you give before the harvest, it's when you receive your salary.

The tithe is ten percent of your salary at the end of the month. The Jews, they call their first fruits, Terumah, and that is one-fortieth per cent of your salary.

"Honor the Lord with your possessions, And with the firstfruits of all your increase;"(Proverbs 3:9 NKJV)

"Consecrate to Me all the firstborn, whatever opens the womb among the children of Israel, both of man and beast; it is Mine.""(Exodus 13:2 NKJV)

God says the first is His. There is a specific way to sanctify your first fruits. You don't speak about it, you come, and you give it to God. The act of giving first fruit. You lift it up high before the Lord, and you place it in the hands of the priest, and you give it to God.

Ignorance is not an excuse because we have His word.

“And we made ordinances to bring the firstfruits of our ground and the firstfruits of all fruit of all trees, year by year, to the house of the Lord; to bring the firstborn of our sons and our cattle, as it is written in the Law, and the firstborn of our herds and our flocks, to the house of our God, to the priests who minister in the house of our God;”

(Nehemiah 10:35-36 NKJV)

You bring your firstborn of your son to the priest. That's what Hannah did. She brought the firstborn. She was obeying the Word of God and the ordinances of God and statutes and the ways of God. Her trust was not in a man. It was in her obedience to the law of the Lord and ways and the ordinances of God.

That's what she promised; she brought her first fruit. It was her and God.

When you put your first fruits in the right hands, and especially touching the Apostolic; that will bring your release and God's will into your life in no other way. Seed placed in the right hands cannot die and it's God's principle.

These are My ways. Walk in My ways so that it can go well with you.

God is bringing everything into divine and judicial order. So that we can truly be free.

“And when Jesus had cried out with a loud voice, He said, “Father, ‘into Your hands I commit My spirit.’ ” Having said this, He breathed His last.”

(Luke 23:46 NKJV)

Jesus is the First fruit! He placed His life in the hands of God as an offering. A first.

“The best of all firstfruits of any kind, and every sacrifice of any kind from all your sacrifices, shall be the priest's; also you shall give to the priest the first of your ground meal, to cause a blessing to rest on your house.”

(Ezekiel 44:30 NKJV)

This includes everything! From inheritance to bonuses.

When you bring your first fruits to the Lord, you are consecrating, separating, and making holy.

Giving something to God that you love. That you care for. Your children, your business, your dreams, your gifts. Because your children, your life, my business, my gifts, all these things God gave me and He is still giving me. I am consecrating back to God what He gave me. Because God will never be second to anything.

8Here, mortal men receive tithes, but there He (Jesus) receives them, of whom it is witnessed that He lives (Hebrews 7:8 (NKJV).

It is your personal responsibility, Heritage of Faith people, to receive this revelation for yourself. It is your personal responsibility with the Holy Spirit to go through all of these scriptures. Let Scriptures speak to your heart.

We say: Thank You Lord that You are resetting, that my understanding is bringing me back to Your Word. We are coming back. We love you Lord. We humble ourselves. We hear Your Word.
