

KIDS MESSAGE HIGHLIGHTS_Big And Bold Part 13_Kingdom Finances Part 8_Pastors John & Sharon Bendixen_02 April 2021

Spirit world creates: Extract - Nothing happens in the natural world, except it first comes from the spiritual world created by God. **READ: Genesis 1:26-27 (NLT).** God, the Divine Being and Author of all things, decided to make man in His image - Divine and human at the same time. God gave man an understanding of eternity and therefore a choice, which makes man different from other living creatures on the earth. We can **choose our eternity.**

Devil: Extract - The enemy of God deceived man with the desire to be like God and somehow, made them believe there was more of God to know. He manipulated God's Words and deceived them. Man, then went from being the supreme being in the universe next to God and became a much lesser being. He was separated from that very force of life and never had all the wonders of the Divine being living in the human body. Adam failed and dragged the entire universe down with him.

Adam changed: Extract - Adam changed greatly after he sinned, he took the enemy into himself and thereby made evil a vital part of himself. His inner harmony and complete oneness with God were disrupted. Life became a bitter battle, and a struggle between good and evil, truth and falsehood, death and life. Adam became all human when He made a Divine, relationship-altering decision and gave up his sovereignty and the authority that God gave him to rule and reign on earth.

Biggest challenge: Our biggest challenge, like Adam, is not to know the truth - it's the convincing arguments of the world's system that tries to drag us on a different path to the truth and not follow the Divine leading of the Holy Spirit. Satan's manipulating words constantly try to get us to disobey God completely and not live in absolute harmony internally. It greatly changes us when we are disobedient to God, from His original intent for our lives. If we're disobeying the written will of God (Bible), it will lead us to where it led Adam, a smaller world, conflict within ourselves, never being sure but having a continual internal struggle.

Confession: I say - I cannot follow my own desires. When I obey God, the desire to eat of the Tree of Life grows, and my desire for other things begins to fade. I then start to be led by that desire, and the Holy Spirit's voice, because it's based on obeying the Word of God and trusting Him with a bigger, deeper trust, a life directing trust, where I no longer trust myself. **Extract - This is the reason Jesus came to the earth. READ: 1 John 3:8 (AMPC)**

Jesus: Extract - God had to send the Divine Word of God Himself, Jesus, who was all Divine, but also all human, with the purpose to come and obey God in everything and to undo the works that the devil had done and to restore to man everything that Adam walked in. Jesus **sacrificed His Body** willingly and committed His Spirit to the Father. He did everything he could in the human body, as both Divine and natural man, and the **Father called Him out of the grave and resurrected His body** so that His Spirit could live eternally in that new Divine body. Jesus became the firstborn of many that will have the same experience as Him.

Born again: Extract - Those of us that are **born again**, that have asked Jesus to come into our lives, are designed to take Him fully into our hearts and be new creatures living on earth with authority, harmony, unity, and glory - the absolute symphony - with God. Every day, the **devil wants to put a limit on our vision** and cause us to disobey, so we can be in disharmony. He brings other visions and words to try to convince us to walk away from the harmony, the beauty and the glory of the personal authority that we have in God and the truth of His Word.

There are two systems at work: *The system of the world* which is disharmony, disunity, destruction, death, no vision verses the **Kingdom of God** which is harmonious, abundant overflow, growing, developing, productive, seedtime and harvest time. Celebrate what His Body did for you. **READ: Mark 14:23 -26 (AMPC).**

The cross was an absolute demand of God's eternal plan. **Pure Blood** was spilled as a Divine Offering to cover the sins of every human being. God covered and obliterated the effects of the enemy through the Blood and the Body of the Lord Jesus Christ. His blood produced a new covenant, a covenant that is restoring back to man what Adam lost. **As you partake in communion – I say - Divine life comes into my body and my soul and immediately produces the life of Christ in me; bringing healing and freedom from every kind of oppression in my human world. I receive my healing, I receive forgiveness and I receive deliverance from the Lord Jesus Christ by the Person of the Holy Spirit.**
