

KIDS MESSAGE HIGHLIGHTS_Children Be Holy as I Am Holy_Pastor Sharon Bendixen_16 May 2021 (WTB)

BABYLON has fallen: **READ: Revelation 18:1-5 (AMPC).** Extract - There comes a fullness of time in the heart of God, where He will move by His mighty hand. He moves in His Church and through His Church. That's why He's telling His Church to come out of her, because this world system is falling. **READ: 2 Corinthians 6:14-18 (KJV).**

Cleanse yourself: **READ: 2 Corinthians 7:1 (AMPC).** I say – I let Scriptures speak because all Scripture is breathed by God and is good for correction, for training in obedience, for reproof and rebuke, and admonition (warning). Extract - That is what My scripture is profitable for. **Let scripture speak to cleanse us.**

Intent of the world's system: **READ: Zechariah 13:1-2 (AMPC).** Extract - The world system is full of unclean spirits. They are **intended to bait you, to trap you, to seduce you, to get you into its grips and into its clutches** so that you do not fulfil the great and mighty plan of God for your life. You, who have been created in His image and His likeness. The world system has set up things for you to now be made into its likeness and into its image.

An awakening – to be clean: Extract - But an awakening has come to this church! This is one of the churches spoken of that has been teaching and training people to pray. As a church, we positioned ourselves for the Lord to answer prayers made in this place, and people are coming into this church to be clean. There are people that are already coming into this church that are saying in their hearts, Oh, to be clean, to be clean. **The Holy Spirit works in the hearts of the willing, with the blood of Jesus to cleanse, to purify, to make holy, to clean, to clean, to cleanse, to purify and make holy.** They'll run into that atmosphere, and My blood will cleanse them. There is a cleansing flood. There is a fountain opened, filled with blood, Drawn from Emmanuel's veins. Sinners plunged beneath that flood, Lose all their guilty stains.

Deep clean and answered prayer breaking out: Extract - The glory of God is here for a deep cleanse, of the blood of Jesus, in the hearts of people, His people that have been in Babylon, and been in the world system. These are people that want the Blood to cleanse them; these are the ones running into this house of worship, saying, "To be clean, to be clean, Lord." It was prophesied in 2009; revival has broken out over there. **No, answered prayer has broken out over there.** This is what's happening in the Church, right now.

Warning: Extract - We have to **be very careful not to be light and loose with our lips because we are on Holy ground.** We are positioned, and people are coming into this church to be clean. There is great grace available to us as a people. Grace is the power of a person. The person of the Holy Spirit.

The Word is my defense: **READ: Psalm 119:9 (AMPC).** I say - **The word of God is my only defense.** Extract - You are defenseless in the world system that Satan is the god of unless you have His Word built into your heart. Unless you guard your heart with all vigilance. The only way you can guard your heart is by putting the Word of God into your heart. A defense is a protection against enemies, protection from harm, to be immunised. Yes. A bastion, a stronghold into which people can go for shelter during battle. A mighty defense, to keep you free from the world, to keep you free from any of Satan's wiles and crafts and trickery. To take your life so that you do not fully fulfil the marvellous plans and purposes that He has for your life. **READ: Lamentations 3:27-28 (AMPC).** **READ: Psalm 71:17 (AMPC).**

Ignore for the Word: Extract - Disregard for the Word of God opens you up to the liberal agenda of the god of this world. Satan has set up entertainment for it to enter you so that you can contain it. Just because you don't do what you are looking at doesn't mean it's not in you. This world system is designed by Satan to impregnate you, influence you, imprint you into an image that is not the image of God. This world system is un-holy. **READ: Proverbs 4:23**

(AMPC) (MSG) (NLT). I say - I have to keep and guard my heart. Extract - God says, "Walk in your ways of what you're looking at, but there will come a time where the wages of sin will produce death." **READ: Ecclesiastes 11:9-10 (AMPC).** **READ: Ecclesiastes 12:1 (AMPC).** **READ: 2 Corinthians 7:1 (AMPC).**

Statements – (ASK a parent to explain): Extract - "A bend in the road at an vulnerable age can turn the life of a precious young person, far away from the future, and hope that God promises His people in Jeremiah 29". **READ: Jeremiah 29:11.** Extract - "Hellish invasion is always at hand. It is the persistent and calculated goal of a very real demonic being, and of the host of cohorts at his command, principalities, powers, the devil and all of his demons are at work in the world system, to attract you so that you do not fulfil the plan of God for your life. A very real being and with a host of cohorts at his command, as our common enemy makes his approach. He is ever and always merciless, his victims being targeted, regardless of age and without thought for the rich and wonderful purposes of God for each human being. He is the enemy of our souls, and he seeks to flood people with shame and guilt in order to steal their confidence and peace. He deceives people into adopting habits that kill effective discipleship. More than a generation ago, our society absorbed into its rhetoric slogan, "If it feels good, do it". Elevating the sensual over the spiritual, and treasuring greed and lust over wisdom and morality. Today, it barely takes watching network television; viewing is supposed to be a family film, glancing at a magazine, tuning into a three minute MTV clip to be attacked by the glamorization of immoral lifestyle choices and sexual images. Learn it early dear one, the agenda here is not hidden". I say – I am called to be holy. Extract - "If these seductions and deceptions were not damaging to what Father God, our Creator, intended for our lives, He would not have provided in His Word, warning after warning about sexual immorality, as well as the admonition that believers in Jesus Christ are to be Holy. A way of living that is both possible and rewarding". **READ: 1 Peter 1:15 (AMPC).** Extract - "God would not have said to you "be holy," if you could not be, wherewith shall a young man and a young woman cleanse their life, by taking heed according to the Word and keeping a watch on themselves according to conforming their very lives to it. Guarding your heart with all vigilance because out of it all - your life comes out of your heart, your destiny comes out of your heart". **READ: 1 John 1:5-10 (TPT).**

God is jealous for you: Extract - You'll find yourself unable to be righteous and have a righteous relationship with God, not because He's condemning you, but you'll find yourself in a place of being unclean. **God is a jealous God.** He loves you, spirit, soul and body. God desires for you to serve Him with your spirit, your soul and your body in purity, and in holiness and in cleanliness all the days of your life. What you do in secret, is who you are, is who you bring to the collective greatness. God is busy working in Ecclesia because He is after our purity, our holiness so that we can walk in the authority and the power. We are weakened and diminished when we walk in the ways of the world. Seduction is the tactic of intentionally drawing us away from the purpose and the will of God in our lives. While seduction is romanticised by our worldly culture, the worldly culture is a powerful bait of Satan in his greedy quest to steal the glorious fulfilment that God has designed and intended for us as His children. **READ: James 4:4-9 (NLT).** **READ: James 4:6 (AMPC).** There is the key again from **Matthew 18:3-4 (AMPC)** - to humble yourself, become like a little child. Jesus said in Matthew 18, repenting.

Heartfelt, sincere prayer: I say - I have a tender heart, a humble heart that reaches to You from the very depth of my heart, to say: "Lord, I've heard today, this is the way, I hear what You say. I come to be cleansed Lord. I put myself in a cleansing process with You. I purpose in my heart to conform my life to Your Word. Thank you, that as I meditate on these scriptures, during the week, I will experience Your cleansing power in my heart. Holy Spirit, as I begin to speak these scriptures, that I will experience it from now onwards. I'm not letting go, Father, I'm telling you now, Lord, I'm coming out of Babylon, where it sucked me in Lord, where it's imprinted me, influenced me,

impacted me. I'm coming out of it Lord. Thank you that you give me more and more grace because I humbled myself now. Thank You that You, Holy Spirit are powerful in me, to help me, to meet every evil tendency fully. I come to be holy. I come to be clean Lord, today. Your Word is my only defense. I choose to put Your Word in my mouth!" I plunge beneath the flood of the Blood, to be clean from all guilty stains. There is a fountain filled with Blood. There is power in the Blood to cleanse today. **Power in the blood to heal my heart** that's been impacted, imprinted and influenced by the things in the world. I'm with you in the hidden recesses of my heart, I'm reaching out to You with my heart. Father, today I declare that there is power in the blood of Jesus to set everything right, that Your atoning Blood now works, to minister the defeat to every evil work of the devil in my heart and bring it down to nothing.

Extract - *You know the hearts of those who are turning towards You, right now. Take them, Lord. You said You would take the children, take them now. Lord, You're just going to now walk into a more abundant realm with Him, fuller, more abundant overflow with Him. You've made rich deposits in the hearts of many of the little ones that You are taking, Lord, rich deposits, Lord. We thank You for what You've done. The Word and the Blood of Jesus surrounds everybody. In the precious name of Jesus, amen.*
