

KIDS MESSAGE HIGHLIGHTS\_Your Money Has A Voice  
Pastor Sharon & Pastor Christi\_06 June 2021 (WTB)

**Abundant overflow & at once:** Extract - We are in a time now of **abundant overflow**. God will just always make sure we have the more because it's just who He is. "We are an-at-once people." **I say** - Yes, Lord, at once. **Extract** - And that is what God is requiring of us now - if God is going to be able to have His way in the earth now, through the church.

**Treasures:** Extract - He said that in **READ: Matthew 6:19-20. Don't store up treasures** here on earth. **I say** - I make my investments with my treasures in heaven. I let that be my primary heart-thrust and mindset. I let it be my first.

**Scriptures:** Extract - He is training us through scripture to come out of the worldly way of thinking. He is making an effort now in this local church to bring scripture after scripture, after scripture to see if there are any hearts in Heritage of Faith that will allow the scriptures to pierce and penetrate, to bring about great change in our thinking, actions and lifestyle. **I say** - I allow scripture to speak to my heart, it pierces - goes into my heart and brings about a great change in my thinking, my actions and my lifestyle. **Extract** - God is really challenging us to transfer our wealth into eternity. He is giving us an opportunity now. He's got to know that we have transferred our heart to heaven.

**God is helping us:** Extract - When the Israelites left Egypt, God was helping them as much as He is helping us today to come out of Babylon, to come out of Egypt - the world system. God did the same for the Israelites, teaching them, training them, Moses telling them about coming out of Egypt, as God is helping us now. **READ: Exodus 32:8 (AMPC).** **Extract** - "Just get for myself, just more and more for myself and then in that way, we build for ourselves businesses, or the next thing - also a golden calf but God knows what He wants to build". He has those plans ready for Pastor John and the people around him. God always has the more for us but He wants to see if He has our hearts. **I say** - Lord, You have my heart.

**God being first:** Extract - If we will build His way, He will give the plan - He gave it to Moses and He is giving it to Pastor John. He wants to know if our more is for Him. He is the One to occupy the most important (chief) place and to be the greatest and first. You're weak because you love yourself first, you love your own things first, you seek for yourself first, God's not your first. It's the principle of God being first. We are positioned in a place of answered prayer. God wants to have our hearts first - when it comes to first fruits and tithing - that we fear God here first.

**Ecclesia:** Extract - He must have the Ecclesia, that He must have right now, to be a voice in the earth. **READ: I Corinthians 4:15 (NKJV).** **READ: Isaiah 3:4 (NKJV).** **READ: Matthew 10:11 (NKJV).** **READ: Matthew 10:8 (NKJV).** Jesus authorised them with messages, **14And whoever will not receive you nor hear your words, your messages, then judgment will come because He says, then you've got to shake off the dust from your feet (Matthew 10:14**

**NKJV).** **Extract** - We come with the supply of the Spirit - every one of us here comes with the supply of the Spirit. When we are planted, and we are in one mind and one heart, then through Pastor John and his authority that God has given him, we can do mighty exploits in the place where God has planted us. **"The gates of hell cannot prevail (Matthew 16:18).** **Extract** - These places where God is planting us - when we come together, when we pray, when we say, and when we give - **the gates of hell cannot prevail** against a body of believers in a local place. It's the time for the local church. God can take a city with a true Ecclesia. It's the beginning of the end. God is wrapping things up and He needs His Ecclesia to be what it's supposed to be now.

**Give God first:** Extract - "Give Me access to your heart, first - when it comes to your wealth and your possessions and your money, give Me first". When God is first, He is going

to be able to exercise authority through us in the earth and the gates of hell will not prevail against us. We will prevail against it. "Choose Me with your whole heart now." "Give Me everything so that you can be part of these eternal victories and rewards that Jesus, the head of the Church, will now bring to a people that will say, "We choose You first Lord Jesus." He wants to change things in our cities. He wants our money, our prayer life, everything about us, to have that voice in the Ecclesia so that God can show what He wants to do in the earth right now.

**PURIFY your heart:** **READ: James 5:1-4 (NKJV).** Extract – "I want My people to hear what I'm saying so that God can purify our hearts. He wants to purify our hearts so that we can see how He's helping us to come out of the world system, He wants us to come out of Babylon. His judgment is not to condemn us, but to help us; to bring forth righteousness (the right way of living) in our living and choosing. **I say - I don't heap up for myself. I get treasures for myself in heaven.** Extract – You should be financing the move of God now.

**Word is helping, teaching and training us:** **READ: 1 Corinthians 15:10 (NKJV).** **READ: Colossians 1:28 - 29 (NKJV) (AMPC).** Extract – The perfect period of waiting is over now. God is bringing changes for us to go into this New Era. For the abundance overflow, to be for Him, and for Him to have access to our hearts at any time. **READ: 1 Timothy 5:17 (AMPC).** Extract – As a people we have to look at our own hearts before God on this matter. Keeping back from what must go to Pastor John (to these labourers) is crying out and it's reaching the ears of God. This is how God works. **He is helping us. He's teaching us. He's training us.** **READ: Matthew 10:14 (NKJV) - Judgment.**

**His Love towards us:** Extract - We cannot be like that rich young man and miss our opportunity here. What is our more for? He will always bring increase to His people. But then God wants to know, what are you going to choose? Will He be first in your understanding? Will He be first? Will we come to give Him what God wants us to give in the ways that He's very specific in His Word? This is God's love, in His messages, that's coming to us to purify our hearts, and see how we must repent, and walk with God in this way. He's wanting us to be free of the system of Babylon and come out so that He can bring the wealth of what God owns in the earth, which is all the wealth of the earth. He wants to give (transfer) it to us. He's got to know that we've transferred our heart to heaven. We are coming free through scripture.

**We really can be free as a people and let God show us how good He can be to us. I say - Thank you for the Word and the blood of Jesus that surrounds me. Thank you for my most excellent health, that I will continue with my fighting talk, that I will continue to shout "recover" - recover to my body. To whatever symptoms I have on my body, I declare my recovery and my restoration of divine health and healing in my body in Jesus' name, and divine recovery of provision and prosperity in my life in Jesus' name.**
