**Healing and Divine Health:** Extract - *The warfare has intensified and escalated. So now our faith must intensify and escalate. The Lord will help our faith, He will assist our faith. We can and we will come up in faith now. However, you will need to expose your eyes and your ears constantly to His Word on these matters.* Your faith, your earnest desire, and your expectancy, which all comes from His Word, is what will do it. Expect Him by His Holy Spirit to open up these scriptures to you. His healing power will come and continue, and you'll find yourself because you are coming up in faith, you experience divine health again. **I say - Christ has redeemed me from the curse of the law. Therefore I forbid any sickness or disease or weakness to come upon my body. Every disease, germ or virus that touches my body dies instantly. Every organ, every tissue, every cell, every joint, every muscle, every blood corpuscle, every bone marrow of this body functions in the perfection to which God created it to function. I forbid any malfunction in my body. The Holy Spirit is the stream of divine life that flows through my body, through my members, overwhelming the law of sin and death, coursing through me with the very resurrection life of Christ from on high. I walk in this resurrection life, from my spirit to my soul and my body making me whole. I will lay hands on the sick, and they shall recover.**

**HEALING SCRIPTURES: READ: Exodus 15:26; READ: Deuteronomy 7:12-15; READ: Psalm 105:37; READ: Matthew 4:23-24. I say - I glorify You in my body, Lord. I forbid (whatever symptoms) - you shall not prosper in my body. I'm not moved by what I feel. The Word of God is working mightily in my body. I'm receiving my healing. I'm eating the bread of life. I'm nourishing myself with words of faith.**

**1st First fruits, 2nd tithes, 3rd offerings: READ: Romans 11:16 (NKJV). Extract - The Word is clear, the first thing that we've got to do is first fruits, then tithes and then offerings. Many times people think tithes is the first, but it's not. First fruits you give before the harvest, it's when you receive your pocket money (salary). The tithe is ten percent of your pocket money (salary) at the end of the month. The Jews, they call their first fruits - Terumah, and that is one-fortieth per cent of your pocket money (salary).**

**The first is Gods: READ Proverbs 3:9 (NKJV). READ: Exodus 13:2 (NKJV) Extract - God says the first is His. There is a specific way to sanctify your first fruits. You don't speak about it, you come, and you give it to God. The act of giving first fruit. You lift it up high before the Lord, and you place it in the hands of the priest, and you give it to God. Ignorance is not an excuse because we have His word. READ: Nehemiah 10:35-36 (NKJV). Extract - You bring your firstborn of your son to the priest. That's what Hannah did, she brought the firstborn. She was obeying the Word of God, the ordinances of God, statutes and the ways of God. Her trust was not in a man. It was in her obedience to the law of the Lord and ways and the ordinances of God. That's what she promised; she brought her first fruit. It was her and God. I say - When I put my first fruits in the right hands, especially in the hands of an apostle, that will bring my release and God's will into my life - in no other way. Extract - Seed placed in the right hands cannot die and it's God's principle. These are My ways. Walk in My ways so that it can go well with you. God is bringing everything into divine and judicial order. So that we can truly be free.**

**Jesus - first fruit: READ: Luke 23:46 (NKJV). Extract - Jesus is the First fruit! He placed His life in the hands of God as an offering. A first. READ: Ezekiel 44:30 (NKJV). Extract - This includes everything! From inheritance to bonuses. When you bring your first fruits to the Lord, you are consecrating, separating, and making holy; giving something to God that you love and care for - your children, your business, your dreams, your gifts. I say - God gave and continues to give me all things - my life, my business (or ability to work), my gifts, (and someday) my children. I am giving (consecrating) back to God what He gave me because God will never be second to anything. READ: Hebrews 7:8 (NKJV).**

**It's up to me:** Extract - *It is your personal responsibility, Heritage of Faith people, to receive this revelation for yourself. It is your personal responsibility with the Holy Spirit to go through all of these scriptures. Let Scriptures speak to your heart. I say - Thank You Lord that You are resetting things in me, that my understanding is bringing me back to Your Word. I am coming back. I love you Lord. I humble myself. I hear Your Word.*
