

KIDS MESSAGE HIGHLIGHTS_In The Light Of The Ecclesia: Part 2 Christi Grobler_5 September 2021 (WTB)

Position myself: I say: I position myself to see and to hear what Jesus is saying to this church, (ecclesia). I busy myself with the things that Jesus is ruling over, and not the way that I'm running my life. **READ: Hebrews 12:22-24 (NKJV).** Extract – The church is “Mount Zion, heavenly Jerusalem, the city of the living God” – it is the ecclesia. It comes from heaven, from heavenly messages, heavenly words that come into our hearts. God is breathing out words, out of Pastor John and Pastor Sharon, like spores. I say - My heart will receive, my eyes will see, my ears will hear, and I will become. Extract - “To the general assembly and the Church of the firstborn - “Church” is the word for ecclesia, “of the firstborn” - that is our first love, our Lord Jesus ruling over everything. Not all churches, gathering together are ecclesia’s. Abraham came to God, the Judge, in Genesis 18, where he pleaded, he wanted to intercede for a city, but he did not have jurisdiction (the right to) over that city. **Genesis 18:25 (NKJV).**

Ecclesia & the Blood: **READ: Hebrews 12:22-24 (NKJV).** Extract - “To the spirits of just men made perfect” - This is talking about the witnesses who are already in heaven. Jesus, our mediator of the New Covenant. Mediator means to arbitrate (intercede, intervene) on God's behalf. “The blood of sprinkling that speaks of the better things” – this is our new covenant. The blood of Jesus speaks about the prophetic words that God has for us, as a people. God says our lives, and that what God has for Pastor John and for us as a people, are written in God's Book. The blood of sprinkling speaks not only of forgiveness and our protection, but it speaks for what God has for Pastor John and us, as a people on assignment. We have come to “Mount Zion”, where we are positioned, right here where God is positioning New Testament believers. All born again Christians are God's children, but all believers do not live for the Lord in the same manner. **READ: Luke 6:46 (NKJV).** Extract - Not all believers make Jesus the Lord of their lives. Many believers make Jesus the Saviour of their lives, but never the Lord of their lives.

The local church: Extract - The Lord is imploring (pleading with) you, Heritage of Faith people, to understand what the local church is all about, what it is for. I say - I allow the Holy Spirit to help me let old filters of local church life disintegrate (fall to pieces). “I will take the Children” and “What is your more for” - I allow the Holy Spirit to help me. I let old filters of local church life disintegrate (fall to pieces) and blow my mind. I come into the new era, with a new way of listening and a new way of understanding. Extract - God is building the local church for all of His sons to come to maturity, God is waiting for His mature sons—because the whole of creation is groaning for the manifestation of the mature sons of God. I say - I allow myself to be planted and let my roots go deep into the Word of God. I listen to the messages, receive instruction from the Holy Spirit and yield to the Word, change and mature.

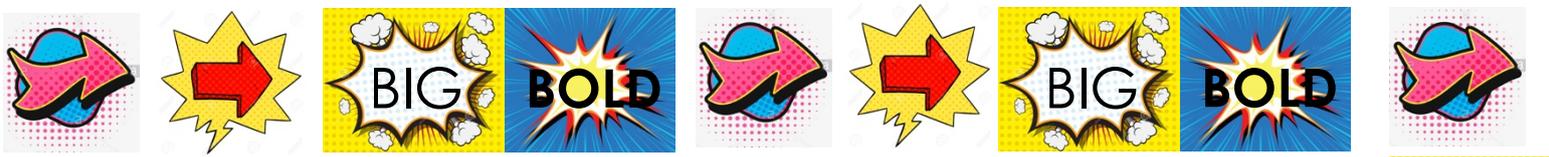

Rich revelation: I say - In this house, the rich revelation and messages are more than enough for me to come into spiritual maturity because God knows how to bring it to me. The ecclesia is very powerful and very specific. **READ: Matthews 16:18 (NKJV).** Extract - The gates of hell will not prevail against an ecclesia. The called-out ones; God's ecclesia are going to overthrow the called out ones of the enemy in any region and in any place. Narrow is the road that leads to life. Few find it, few want it because the way to life, true life, is death - death to yourself, and people do not want to die to their self. So that's why only a few find it, because only a few want to find it. I say - God is bringing everything for me to repent, to self-correct, to hear Him, to change, to make the changes because I have come to this place. Extract - God is looking for the 10 righteous, not all Christians live in the same way for God. God is looking, to rule from Mount Zion, in the ecclesia, to bring about His will into the earth.

Extract from Pastor John's message - The church has become very Entitled. We think that we can do it all for ourselves. We think it all belongs to us. We think we can create our own future and our own empires for ourselves. When you are the center of your own existence, you never say no to yourself! You will love money because it allows you to indulge yourself. I

say - I choose to live for Jesus; I have the grace to say NO to myself. I pick up my cross and follow Jesus. **Extract** - The weightiness of my authority is because of the weightiness of the blood of Jesus. Every morning I wake up and rule. I repent, return to the Lord. I'm responsible, and I am in charge. **READ: Hebrews 9:14, (NKJV).** **Extract** - The Spirit and the Blood work very closely together. Through the Spirit alone the Blood has power. The Spirit lives and works in the blood. The blood of Jesus has Spirit and life in it.

Eternal: **Extract** - It's talking about the eternal Spirit (Holy Spirit) - has no beginning and knows no weakening - He works beyond time. Eternal rewards, the eternal joy – I am mindful of the heavenly things. When we talk about eternal - there is no past that has already disappeared or is lost. There is no future not yet possessed. There's no beginning, there's no end. **I say** - I just come and obey what You telling me to do. **Extract** - **Eternal talks about the power of an endless life at work**, in which there is no change - it cannot become less. **I say** - The power of an endless life is working in me. **Extract** - The blood of sprinkling that speaks for us in Christ... [to a new life, sharing His resurrection from the dead]. **I say** – I Aim and seek the [rich eternal treasures.] I cannot live for myself. I look and seek for the [eternal treasures] that are above, where Christ is, seated at the right hand of God. I set my mind, I blow my mind up. I keep my mind set on what is above, the highest things, the eternal things, not on the things here on the earth. **READ: Colossians 3:1-2, (AMPC).**

Life-union: **Extract** - God is saying that I have to **stay in a life-union** with Him. Jesus sees my life not as fruitless - I live my life intimately joined to Him. **I say** - God wants me to live life with a thought process that is, let me be connected to Jesus day in and day out, to have this eternal principle at work in me, then I will be fruitful, I will have abundance and I will have all the good things. **Extract** - The minute I am disconnected and no longer living in union with Him, I become powerless. That is a very traumatic place to be. This mighty power of an endless life, at work in me is only through the blood, for the Spirit to dwell in me. The Spirit goes where the blood has cleansed, the Spirit answers to the blood. **I say** - As the blood is working in my heart, and I honour the blood, then the Holy Spirit is free to carry on His work.

What gave the cross power: **READ: Colossians 1:19-20 (NKJV).** **Extract** - The very thing that Jesus said to His disciples in connection to the cross was, become like Me. Jesus carried the cross, all through His life, every single day. The only way Jesus could bring the power of sin to nothing was to come in the weakness of the flesh, with being tempted fully. Jesus had to continually fight against His self-will and self-honour. Jesus denied Himself by taking up His cross daily. He learned obedience and became perfect. Jesus died to Himself. The development of the inner nature of Jesus, not loving His own life, till death, laying down His self-will - **that is what gave the cross its power.** **READ: Revelations 12:11.**

Extract from Pastor John: **Extract** - "All aspects of self-life must be reckoned unto death. When you live for yourself, you will not walk in victory. When you live for yourself, it means your days are not ordered by the Lord, it means you do what you want, you go where you want, you buy what you want. Self-life must be counted unto death, if Satan is to be defeated - through the victory that Christ had on the cross, and through our lives here. **I say** - The cross can now give that power to me, to do the same thing.

Repent: **Extract** - Through the blood, through our repentance, through coming out of Babylon, we have come to this place, "Mount Zion", the ecclesia that He is talking to, that can repent, change and become now. **I say** - I need to repent where I have to repent, as the messages are coming to me. **READ: 1 John 1:7 (NKJV).** **Extract** - Pastor John shared with us, Walking In The Light, does not mean walking perfectly, it's walking honestly, being honest with God. God is looking for the ten, who choose to walk and live righteously. Righteousness is not the result of keeping rules, it's a result of living under the government of the Holy Spirit. **Pastor John brought the message of repentance** and to turn around, the Spirit of God is saying, "Will you change? Will you change? Will you turn around in your heart?" **I say** – Yes, I am finding myself changing and turning because of the Holy Spirit that's working with the blood.
