

KIDS MESSAGE HIGHLIGHTS_Blow Your Mind with the Truth Nothing but the Truth_Pastor John Bendixen_19 September 2021 (WTB)

Time of God: Extract - God always has an answer for everything. Things are changing in the spirit, because there's a **God ordained timetable**. He has an agenda to accomplish in His eternal, divine order. God is always changing, because men are changing things. Men's agenda (programs, schedules, plans) changes things, men sow seed into the earth, and what they sow, they must reap a harvest. Men will either sow seed to the flesh and from that reap death and destruction. Or they'll sow seed into life and from that, they will have a harvest of life.

New normal: I say - I serve the *new normal* God. He's always been, and He always will be. He's the *new normal*. Everything He has to say is what I believe. I don't believe anything that anybody has to say about a virus, sickness or economic (financial) conditions that are connected to sickness. I don't take any of it. I don't believe it, it's not the truth, it might be fact, but it's not the truth. **The truth is my God is the new 'normal' God.** He's the new 'economic' God. He's the new 'relationship' God. He is the new 'vision' God. He's the new everything, God. He's the new 'healing' God, because He always has been, and He always will be.

And this is the plan: READ: Ephesians 1:10 (NLT). At the right time he will bring everything together under the authority of Christ—everything in heaven and on earth. Everything is going to be under the command and under the authority of Jesus, because we are united with Christ, we have received an inheritance from God. If you are united with Christ, you receive an inheritance. The inheritance has already been declared. **So you need to just receive it.**

He chose us: Extract - For **He who chooses us** in advance and makes everything work out, according to His plan. In the agreement that happened when Jesus, the Father, and the Holy Spirit came together they were making decisions about what and who we would become. **I say** - It's in Christ that I find out who I am and what I am living for. **READ: Ephesians 1:11-12 (MSG).** Long before we first heard of Christ and got our hopes up, He had his eye on us, had designs on us for glorious living, part of the overall purpose He is working out in everything and everyone. **I say** - I'm patient, He's busy working it out in me, with me, for me, for His glorious purpose.

TIME FOR CHANGE: Extract - There are ways that you and I have lived, that are not God's ways. They are not God's ways. They are not God's purposes, they're not God's plans. There is a grace that is now upon us. There is a flow, there is grace, there is an inheritance of the Holy Spirit, there is a promise of the Holy Spirit that is here for us. It's time for us to change. It's time for us to be brave enough. It's time for us to be bold.

I say - It's time for me to lean on everything that Jesus paid the price for. It's time for me to lean on His word, lean on His spirit, lean on all of the help that He has promised He would give me. Lean on it, call on it, call out to Him. **Extract - READ: 2 Corinthians 5:20 (TPT).** So we tenderly plead with you on Christ's behalf, Turn back to God and be reconciled to him. **I say** - I receive Him into my heart. I accept Him as Lord and Saviour. I accept Him that He is the one who died for me. I receive Him as my Lord and Saviour and now I receive Him every day as my Saviour, to be reconciled and in union with Him. Every day, I receive my salvation. Every single day, every

moment of every day, I receive Him in my union with Him. I receive so that I can become what I'm supposed to become. I can be who I'm supposed to be. Because He wants me to become.

Let it impact you : Extract - Don't let this moment pass you by. Don't let this grace that God has given you, this grace that is coming to you, don't allow it to have no effect on your life. This is a moment for it to **let it impact you**. Hallelujah. Let it impact you. Let it impact you. **I say** – I don't let this moment pass me by, I receive God's great grace and allow it to affect me. I allow it to impact me completely.

Repentance: Extract - You've got to blow up the darkness in your life, because wherever there is darkness, you can't have light and if you choose darkness, you choose to not let light penetrate. So, you have to willingly blow up darkness, so light can come in. There's only one real way you can blow up darkness and that's repentance. It's not the acknowledgement of your sin and just move forward, **you have to have repentance to blow up darkness**.
