Big and Bold Version 2 in 2022

We must raise our expectations, our desires, our faith levels and we must set our sights higher on what God is going to do. This year will most certainly look different to 2021.

Ephesians 6:10 NKJV

¹⁰Finally, my brethren, be strong in the Lord and in the power of His might. Be strong in the Lord and in the power of His might.

Ephesians 6:18-20 NKJV

¹⁸ Praying always with all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication for all the saints ¹⁹ and for me, that utterance may be given to me, that I may open my mouth boldly to make known the mystery of the gospel, ²⁰ for which I am an ambassador in chains; that in it I may speak boldly, as I ought to speak.

Don't speak words that drain and minimize your strength. Your strength is in the Lord. In 2022 you are not going to require natural human strength, but it is your spiritual (joy, hope, faith, love of God, kindness, gentleness, perseverance, steadfastness, fruit of the spirit) strength required in your spirit being. Speak it into yourself.

God is going to do a major restoration in relationships in 2022. God is going to bring relationships together under His mantle of knowing Him. Relationships are going to be restored, brought closer, better, bigger, stronger and flowing together – energized to do kingdom of God work together. The relationship component is going to produce a level of productivity that we haven't been able to touch before, because creativity comes from unity.

God the Father, Son and Holy Spirit is the ultimate relationship example for us to follow as believers. They are unified, in complete agreement, completely unified and compatible and in unison with each other, there is no division.

God is going to call us to do more praying in 2022. It is going to be marvelous to behold. It is going to cause a surge of spiritual energy to happen. Faith is activated when praying in the spirit – you are going to grow in God in 2022.

The most important thing is our walk with God in 2022. The blood bought life we have, and the blood bought family that we are in, is a very high priority. It is big on God's agenda to close the gap between Him and us, the corporate body of Christ.

Everything about Covid is to separate and to violate the opportunity to engage. I believe in 2022 God is going to get so close to you that a contagious breaking out of the love of God is going to start rising in your spirit. The contagious move of the love of God and intimacy with God, is going to happen in 2022. The Holy Spirit is going to restore the things that the enemy has stolen from the body of Christ in the last 24 months.

God is going to use the power of Ecclesia in 2022. He is going to bring us together for surges of intimacy with Him and we are going to speak out His will in the earth. God is going bigger and

bolder in 2022. We're going to need the open hand of God with all His abundance, all of His strength, all of His goodness that He has for us.

God will speak more about the resurrection power of Christ in the body, bringing about the functioning and working of powerful gifts for us to live with, and to operate with, and to function in, and to be kingdom productive people while living on the earth.

In 2022 the church must rise in relationships, rise in love and rise in purpose. In our obedience God will send people into our lives. We are going to push the envelope with relationships and see what God can do in covenant. God will take the energy that we have in our obedience and people will come to the shining of His glory. When they see the source of our life force they're going to want more of it.
